

SYLVIA VON AULOCK

EXECUTIVE DIRECTOR, SOUTHERN NH PLANNING COMMISSION

Sylvia von Aulock became Executive Director for the Southern NH Planning Commission in June 2017. Sylvia's thorough planning experience, solid education, and positive approach has already helped her make her mark with SNHPC's 14 communities. She has managed and worked on a variety of projects including hazard mitigation plans for rural communities such as Chester and Weare, complete streets pilot programs for Windham, Deerfield, and Frankestown, a multi-modal project in the heart of Manchester, and the exciting Becoming Age-Friendly program which endeavors to assist communities in becoming more livable for all ages.

Sylvia's educational history began in 1977 when she successfully undertook a Bachelor's Degree program in Civil Engineering, (graduating in 1981) and later earned a Masters in Landscape Architecture from SUNY in Syracuse (finishing in 1985). Her career has primarily been in the public sector working for such agencies as Washington State DOT, City of Seattle's Drainage and Wastewater Utility, and in Exeter, NH as Town Planner.

Sylvia enjoys weaving together her years of experience and education with her skills as an artist, comedian, gardener, garage sale negotiator, and team captain to bring about positive solutions to the challenges she encounters.
