

Road Safety Audit Application Results

Southern New Hampshire
Planning Commission

January 18, 2018

Presenter: Jihong (Julie) Chen

Road Safety Audit Application Process

Annual Deadline: *December 1st*

Criteria:

- At least one fatal or incapacitating crash
- No project completed in the last five years to address safety concerns
- No previous studies indicating desired countermeasures are too expensive for this location
- The Average Daily Traffic (ADT) volume for road(s) and turning movements for intersections are attached
- Signature of NHDOT District Engineer
- Signature of Municipal Official
- Signature of RPC/MPO official

How Did We Help Communities with Applications?

- Identified locations with fatal and incapacitating crashes – February
(<http://www.snhpc.org/index.php?page=reports>)
- Reached out to key staff of communities – August
([Conversation](#))
- Follow-up phone calls – September
- Worked with communities to complete applications – October and November
