SAU #33 Raymond Office

The Community Development Finance Authority (CDFA) supports affordable housing and economic development activities that benefit low and moderate income citizens. CDFA accomplishes these objectives by providing technical assistance and financial support to non-profit community development organizations, cooperatives, and other volunteer citizen groups that are engaged in these activities. The Authority is particularly interested in the more economically distressed areas of the State.

NH Department of Revenue Administration

Some of the services provided by the Southern New Hampshire Planning Commission to its member communities include:

- Periodic update of municipal zoning maps
- Periodic update of municipal base maps
- Provide copies of Commission reports, statistical data, and graphic resources for municipal use
- Prepare and interpret model local codes and ordinances
- Provide staff consultation on federal application procedures
- Provide traffic counts at locations requested by local officials
