Mission Statement

As part of Southern New Hampshire Planning Commission's (SNHPC's) efforts to improve communication and awareness among its region's municipalities, we have developed this monthly email update to keep constituents better informed of events in the area. Awareness of these upcoming events will provide recipients with new opportunities to learn about and get involved with the region.

The purpose is to gather public and municipal input on the goals, opportunities and weaknesses of our region and come up with economic development priorities to be addressed over the next five years.

Southern NH Planning Commission

The SNHPC region includes the City of Manchester and the towns of Auburn, Bedford, Candia, Chester, Deerfield, Derry, Francestown, Goffstown, Hooksett, Londonderry, New Boston, Weare and Windham. The main functions of SNHPC are to increase communication; promote intergovernmental cooperation and coordination between planning boards and local officials; promote coordinated development of the region; prepare and adopt regional plans, including policies and strategies for the region; and perform other acts or functions as deemed appropriate to fulfill its duties.

SNHPC is governed by a Board of Commissioners, 48 local representatives from our 14 member communities. The Commissioners are appointed by the governing bodies of the member municipalities upon the recommendation of their respective planning boards, as outlined in RSA 36:46. An Executive Committee, consisting of 14 commissioners, is elected from the membership of the full Board of Commissioners to provide overall policy direction and guidance, and to administer the Commission's financial and operational affairs. An Executive Director is appointed by the Commission to manage and supervise the day-to-day operations of the Commission and its staff under the general direction provided by the Executive Committee and the Board of Commissioners.
