Last Days of Summer

It was literally overnight that our weather went from 90 degrees to the mid 50's, which instantly made me think about the upcoming **SNHPC Annual Meeting**, slated for September 8 at The Derryfield in Manchester.

The topic we're focusing on this year is **Sustainability** and how communities are adapting to changing conditions, resourceful programming, and innovative educational efforts to help communities move the dial on sustainability. We'll be hosting several experts within this broad spectrum to inspire our communities.

Please save the date and enjoy your last month of summer!

--Sylvia

New Commissioners Needed

Our volunteers often come from Planning Boards, Conservation Commissions, or other land use boards.

We have openings from the following communities:

- Auburn
- Candia

- Deerfield
- Hooksett
- Weare
- Windham

Need information on what a Commissioner/MPO representative does? We have a Commissioner factsheet available: [click here!](#)

Southern New Hampshire Planning Commission

The SNHPC region includes the City of Manchester and the Towns of Auburn, Bedford, Candia, Chester, Deerfield, Derry, Franconia, Goffstown, Hooksett, Londonderry, New Boston, Weare and Windham.

The main functions of SNHPC are to increase communication; promote intergovernmental cooperation and coordination between planning boards and local officials; promote coordinated development of the region; prepare and adopt regional plans, including policies and strategies for the region; and perform other acts or functions as deemed appropriate to fulfill its duties.

SNHPC is governed by a Board of Commissioners, 48 local representatives from our 14 member communities. The Commissioners are appointed by the governing bodies of the member municipalities upon the recommendation of their respective planning boards, as outlined in RSA 36:46. An Executive Committee, consisting of 14 commissioners, is elected from the membership of the full Board of Commissioners to provide overall policy direction and guidance, and to administer the Commission's financial and operational affairs. An Executive Director is appointed by the Commission to manage and supervise the day-to-day operations of the Commission and its staff under the general direction provided by the Executive Committee and the Board of Commissioners.
