

Mobility Management

The Mobility Management program is an opportunity to promote sustainable, coordinated, and customer-focused community transportation that is accessible to all, including older adults, individuals with disabilities, veterans, low-income individuals, and other disadvantaged populations. If you are someone who needs help finding transportation:

Contact Benjamin Herbert, your Mobility Manager
(603) 669-4664 bherbert@snhpc.org

You can also visit snhpc.org, find the "I Need a Ride" button on the home page, and fill out the 2-minute form. Your mobility manager will respond after receiving your inquiry.

Regional Coordinating Council

Located in Region 8, the Greater Manchester-Derry-Salem Regional Coordinating Council is one of eight RCC's operating throughout the state. These councils are made up of transportation providers, social service organizations, local officials, and citizens. Operating under the State Coordinating Council, the purpose of the RCC is to:

- Implement coordinated community transportation in the region.
- Encourage development of improved and expanded transportation services.

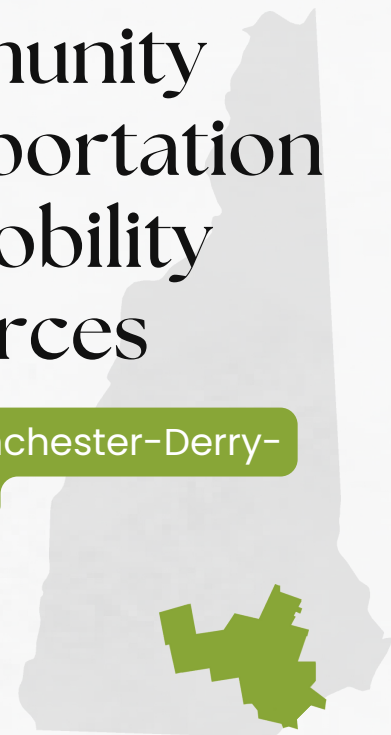

The RCC has routine meetings that are open to the public! Reach out to the mobility manager, or visit snhpc.org to learn more!
