Municipal Technical Assistance Grant (MTAG) Program

Plan NH is pleased to announce that the Municipal Technical Assistance Grant (MTAG) Program, funded by NH Housing and administered by Plan NH, is continuing into next year.

Note: Applications may be submitted at any time.

The MTAG Program is for NH's incorporated cities and towns that want to expand options for places to live (e.g., by location, and/or design) and need to change their zoning regulations in order to do so.

Grants, between $5000 and $20,000, are to hire a consultant to work with the community to:

- Identify what needs are for different kinds of places to live
- Determine what kinds of homes the community would like to see that would support those needs

SNHPC
438 Dubuque St.
Manchester, NH 03102
• Review the community’s current zoning regulations to identify gaps and/or language that might have to be re-written
• Work with the community to develop guidelines and regulations to support the new vision the community has for itself.

Requirements:

• The community is part of the process (Plan NH has partnered with UNH Cooperative Extension to work with communities in this area)
• A 25% cash match. (for example, a community is asking for $20,000, it must be able to provide $5000 as a match).

Southern NH Planning Commission

The SNHPC region includes the City of Manchester and the towns of Auburn, Bedford, Candia, Chester, Deerfield, Derry, Francetown, Goffstown, Hooksett, Londonderry, New Boston, Weare and Windham. The main functions of SNHPC are to increase communication; promote intergovernmental cooperation and coordination between planning boards and local officials; promote coordinated development of the region; prepare and adopt regional plans, including policies and strategies for the region; and perform other acts or functions as deemed appropriate to fulfill its duties.
SNHPC is governed by a Board of Commissioners, 48 local representatives from our 14 member communities. The Commissioners are appointed by the governing bodies of the member municipalities upon the recommendation of their respective planning boards, as outlined in RSA 36:46. An Executive Committee, consisting of 14 commissioners, is elected from the membership of the full Board of Commissioners to provide overall policy direction and guidance, and to administer the Commission's financial and operational affairs. An Executive Director is appointed by the Commission to manage and supervise the day-to-day operations of the Commission and its staff under the general direction provided by the Executive Committee and the Board of Commissioners.
