SUMMARY OF COMMENT(S):
Performance measures should be easily quantifiable with minimal subjectivity. “Produce informative, effective, and user-friendly materials [...]” is largely subjective and difficult to defensibly quantify as a performance measure.

RECOMMENDED RESPONSE:
Concur with this comment and remove the performance measure.
SUMMARY OF COMMENT(S):

• Add information to the plan about how the SNHPC will facilitate translation services for persons with Limited English Proficiency, or interpretation services for deaf, hard of hearing, and blind persons when needed.

RECOMMENDED RESPONSE:

• Concur with this comment and note that the SNHPC will utilize the following resources:
  
  • Language Bank (www.thelanguagebank.org) and LanguageLine Solutions (www.languageline.com) for translation services.
  
  • Northeast Deaf and Hard of Hearing Services (www.ndhhs.org) for deaf and hard of hearing interpretive services.
  
  • Future in Sight (https://futureinsight.org/) for interpretive services for blind persons.
• SUMMARY OF COMMENT(S):
  • Incorporate a summary of how the SNHPC employs different public involvement strategies for different MPO planning products.

• RECOMMENDED RESPONSE:
