RE: SNHPC FY 2019 – FY 2022 TIP Administrative Modifications – April 2020

Dear Mr. Watson:

The purpose of this letter is to inform you that we have approved administrative modifications to the SNHPC FY 2019-FY 2022 Transportation Improvement Program (TIP). These administrative modifications were reviewed and approved under the expedited TIP revision procedures in the SNHPC Prospectus in response to a request made by your office, which was discussed during the Interagency Consultation meeting on April 9, 2020.

Specifically, the SNHPC concurs with the revisions listed below for Fiscal Years 2019 through 2022.

- **Derry-Londonderry (13065)** – Changing the funding type for FY 2020-2022 ROW and CON phases to better align with available federal funding. The SNHPC recognizes that there are ongoing discussions occurring about the federal funding source for this project’s FY 2020 ROW phase work, and if necessary, we will work with Interagency Partners to consider further changes as part of the May TIP Administrative Modifications.

- **Manchester (29811)** – Adding FY 2021 ROW phase funding as needed for additional acquisitions and increasing FY 2021 CON phase funding based on the most current project estimate.

- **Manchester (41747)** – Moving a portion of FY 2020 PE phase funding to FY 2021 to reflect the current schedule for final design, and decreasing FY 2022 CON phase funding as an inflationary adjustment.

- **Program (PAVE-T2-RESURF)** – Increasing FY 2020 - FY 2022 CON phase funding to accommodate anticipated child project expenditures.

If you have any questions about this correspondence or require further information, please do not hesitate to call me at (603) 669-4664 or svonaulock@snhpc.org.
