William Watson, Jr., P.E., Administrator
New Hampshire Department of Transportation
Bureau of Planning and Community Assistance
7 Hazen Drive
Concord, NH 03302-0483

Dear Mr. Watson:

The purpose of this letter is to inform you that we have approved administrative modifications to the SNHPC FY 2019-FY 2022 Transportation Improvement Program (TIP). These administrative modifications were reviewed and approved under the expedited TIP revision procedures in the SNHPC Prospectus in response to a request made by your office, which was discussed during the Interagency Consultation meeting on December 12, 2019.

Specifically, the SNHPC concurs with the revisions listed below for Fiscal Years 2019 through 2022.

- **Manchester (29811)** – Moving FY 2020 CON funding to FY 2021 and increasing total CON phase funding.
  - The SNHPC recognizes that this is a locally-managed project by the City of Manchester. In the event that the City of Manchester proceeds through the project development process and is ready to advertise this project for construction sooner than anticipated, the SNHPC reserves the ability to propose a future TIP administrative modification that would accommodate this schedule.

- **Program (BRDG-T1/2-M&P)** – Increasing FY 2020 PE funds, decreasing FY 2021 CON funds, and increasing FY 2022 CON funds to reflect anticipated child project expenditures.

- **Salem to Manchester (14800B)** – Changing the FY 2020 CON funding type to align with available federal funding.

- **Salem to Manchester (14800D)** – Changing the FY 2020 CON funding type to align with available federal funding.

- **Salem to Manchester (14800F)** – Changing the FY 2020 CON funding type to align with available federal funding.
