

Draft SNHPC FY 2023-2026 Transportation Improvement Program (TIP)

SNHPC MPO Meeting
January 24, 2023

Nathan Miller, AICP
Deputy Executive Director

How does the TIP fit into the Project Development Process?

Construction

Year 1-4

Transportation Improvement Program (TIP)

- Comprised of projects in the first four years of the TYP.
- Encompasses all federally funded projects in the region.
- Fiscally constrained in accordance with known revenues.
- Updated every two years at the conclusion of the TYP process.

Federal Requirement

Year 5-10

Ten-Year Transportation Improvement Plan (TYP)

- State-level funding commitment for listed projects.
- Encompasses all surface and air transportation projects in NH.
- Fiscally constrained against known and anticipated revenues.
- Regions are provided funding allocations for new projects.

State Requirement

Year 11-20+

Metropolitan Transportation Plan (MTP)

- Identifies long-term project needs to meet regional goals.
- Inclusion in the MTP does not constitute a funding commitment.
- Fiscally constrained against known and anticipated revenues.
- Projects in the MTP form the "pipeline of projects" for the TYP.

Federal Requirement

Concept

FY 2023-2026 SNHPC Transportation Improvement Program (TIP)

- **The SNHPC has been coordinating with the NHDOT on an update to the region's Transportation Improvement Program (TIP). The update covers FY 2023-2026.**
 - The Draft TIP was released for public review and comment on January 19, 2023.
 - A 30-day comment period will be held from January 19, 2023 to February 20, 2023.
 - The SNHPC MPO will hold a public hearing to consider adoption of the TIP on February 21, 2023.
