- Log any trip you make to work in any mode other than driving in a vehicle alone such as walking, biking, transit, carpool, telecommuting (working from home), or any combination of these options.
- Compressed workweeks can also be counted as you're still reducing the number of trips driving alone to work.

- **Buses, Bikes & Brooms Challenge will be all individuals**
- **You'll still be able to track your progress against others on the leaderboard**
- **Even though teams will not be used for this Challenge, you can still encourage your coworkers and friends to participate and track how you match up against each other.**

Challenge Awards and Incentives

- Individuals with the highest number of greener trips will be recognized at the end of the challenge
- Incentives will be provided throughout the challenge:
 - Raffle prizes
