Senior GIS Analyst

SNHPC

Statewide Pedestrian & Bicycle Transportation Plan

- NHDOT & consultant Alta are developing a Statewide Pedestrian & Bicycle Transportation Plan
 - nhpedbikeplan.com
- RPCs reviewing & commenting on draft network
- Also, each RPC has been asked to provide 20 *unfunded* bike-ped project priorities within their region

Statewide Pedestrian & Bicycle Transportation Plan

Any project may be identified as a priority. Identification of project priorities are specific to each RPC and may be identified based on safety, connectivity, access, public input, or other previous planning process.

- **10 Major Projects**
 - funded via TYP as either a standalone project or as an element of a larger project
- **10 Minor Projects**
 - funded through TAP, CMAQ, HSIP, or local implementation
