

# **FY 2024-2025 Unified Planning Work Program (UPWP) Overview**

SNHPC TAC Meeting  
March 16, 2023

Nathan Miller, AICP  
Deputy Executive Director

# What is the Unified Planning Work Program?

- The Unified Planning Work Program (UPWP) serves as the contract document for all of the federally funded transportation planning projects and activities to be undertaken by the SNHPC.
- There are three sources of funding that support the SNHPC's Unified Planning Work Program.
  - FHWA Metropolitan Planning (**PL**) Funds
  - FTA Metropolitan Planning (**Section 5303**) Funds
  - FHWA State Planning and Research (**SPR**) Funds
- The FY 2024-2025 UPWP will be an 80% Federal/10% Toll Credit/10% SNHPC funding split.

# What is the Unified Planning Work Program?

- The SNHPC's current UPWP is comprised of **34 individual tasks in five categories** of work.
  - Category 100- Administration and Training
  - Category 200- Policy and Planning
  - Category 300- Public Involvement and Coordination
  - Category 400- Plan Support
  - Category 500- Technical Assistance and Support

# UPWP Category 100

- **Category 100- Administration and Training**

- Task 101- Invoices and Accounting
- Task 102- Program Administration
- Task 103- Training

- **Changes Envisioned to Category 100 in FY 2024-2025 SNHPC UPWP:**

- Additional emphasis on Task 102 as the SNHPC's quadrennial FHWA/FTA MPO Review is scheduled for 2024.
- Additional emphasis on Task 103 as many training opportunities have returned to being in-person events.

# UPWP Category 200

- **Category 200- Policy and Planning**

- Task 201- Ten-Year Plan
- Task 202- Land Use and Environmental Linkages
- Task 203- Transportation Planners Collaborative
- Task 204- Interagency Consultation
- Task 205- Transportation Improvement Program
- Task 206- Congestion Management Process
- Task 207- Intelligent Transportation Systems
- Task 208- Metropolitan Transportation Plan
- Task 209- Air Quality Conformity
- Task 210- State Long Range Transp. Plan
- Task 211- Bicycle/Pedestrian Planning
- Task 212- Freight Planning

- **Changes Envisioned to Category 200 in FY 2024-2024 SNHPC UPWP:**

- Development of a Resilience Improvement Plan under Task 202.
- Inclusion of housing considerations under Task 208.
- Participation in State Long Range Transportation Plan process under Task 210.
- Inclusion of Complete Streets Prioritization Plan in Task 211.

# UPWP Category 300

- **Category 300- Public Involvement and Coordination**
  - Task 301- Technical Advisory Committee
  - Task 302- Planning Commission/Committee Meetings
  - Task 303- Public Involvement Plan
  - Task 304- Public Outreach
  - Task 305- MPO Policy Committee

- **Changes Envisioned to Category 300 in FY 2024-2025 SNHPC UPWP:**
  - No changes of significance envisioned to Category 300.

# UPWP Category 400

- **Category 400- Plan Support**
  - Task 401- Traffic Counts
  - Task 402- SADES Data Collection
  - Task 403- Geographic Information Systems
  - Task 404- Demographics
  - Task 405- Equipment
  - Task 406- Transportation Model
  - Task 407- Memberships, Subscriptions, and Professional Costs

- **Changes Envisioned to Category 400 in FY 2024-2025 SNHPC UPWP:**
  - Elimination of stream crossing data collection in Task 402 as UNH is completing this work through a different funding source.
  - Completion of items related to the 2020 U.S. Census (e.g. urban boundary smoothing, functional classification updates, etc.) in Task 404.

# UPWP Category 500

- **Category 500- Technical Assistance and Support**
  - Task 501- Local/Regional Assistance
  - Task 502- Statewide Assistance
  - Task 503- Local Public Agency Program Support
  - ***Task 504- Special Projects***
  - Task 505- Regional Coordinating Councils
  - Task 506- Transit Assistance
  - Task 507- Transportation Demand Management.

- **Changes Envisioned to Category 500 in FY 2024-2025 SNHPC UPWP:**
  - Additional focus on Transportation Demand Management in the Manchester Millyard under Task 507.

# Special Projects

- **Potential Special Projects in the FY 2024-2025 UPWP:**

- Assisting municipalities with updating their Master Plan transportation chapters.
- Completing local Road Surface Management Systems (RSMS) at the request of SNHPC municipalities.
- Completing a scoping study for a regional freight logistics center.
- Participating in a statewide transportation needs assessment for older adults.
- Providing MS4 technical assistance to municipalities for transportation-related stormwater issues.
- Scoping, developing, and updating local transportation studies, including but not limited to, access management plans and corridor studies at the request of SNHPC municipalities and partner agencies.

# Questions?
