

## Southern New Hampshire Planning Commission Pavement and Bridge Condition Performance Targets

*October 23, 2018*

Pursuant to the requirements detailed in the Federal Highway Administration's (FHWA) final rule on Pavement & Bridge Condition (PM2), the Southern New Hampshire Planning Commission (SNHPC) Metropolitan Planning Organization (MPO) Policy Committee formally adopted regional pavement and bridge condition performance targets at their October 23, 2018 meeting.

**The SNHPC MPO Policy Committee has elected to support New Hampshire's statewide pavement and bridge condition targets.**

Regional targets were adopted for the following federally-required pavement and bridge performance measures:

- Percentage of pavements on the Interstate System in Good condition;
- Percentage of pavements on the Interstate System in Poor condition;
- Percentage of pavements on the non-Interstate National Highway System in Good condition;
- Percentage of pavements on the non-Interstate National Highway System in Poor condition;
- Percentage of National Highway System bridges classified as in Good condition; and
- Percentage of National Highway System bridges classified as in Poor condition.

In summary, the adopted SNHPC regional pavement and bridge performance targets are detailed in the table below.

|                                     | NHDOT    |                | SNHPC Region         |
|-------------------------------------|----------|----------------|----------------------|
|                                     | Baseline | Adopted Target | Adopted Target       |
| Interstate (GOOD Condition)         | 96.7%    | 95%            | Support State Target |
| Interstate (POOR Condition)         | 0.2%     | 0.8%           | Support State Target |
| Non-Interstate NHS (GOOD Condition) | 70.1%    | 65%            | Support State Target |
| Non-Interstate NHS (POOR Condition) | 9.8%     | 12%            | Support State Target |
| NHS Bridges (GOOD Condition)        | 57.0%    | 57%            | Support State Target |
| NHS Bridges (POOR Condition)        | 7.0%     | 7.0%           | Support State Target |
